ROADS COSTING MILLION ARE GOING TO PIECES

MERIDIAN. Miss. June 22 (Spl.)—
Lauderdale county's roads which cost a million dollars in Beat 1. Meridiar and vicinity—are no longer the pride of the residents. The roads are going to pieces fast, and some of them are now in such condition as to make traveling uncomfortable because of the holes and bad places.

These roads were torn all to pieces by heavily loaded lumber trucks and there is at present hardly one of the seven roads that will not have to be almost entirely rebuilt to make them first class.
